NOMINATION FORM

The property must be within the Grand Rapids City limits, but need not be within an historic district. Nominations will be judged based on the following criteria: the positive impact towards Historic Preservation within the City of Grand Rapids; the affect the work has had on other projects; the success of the project or work as a whole; and how closely the project adhered to the Secretary of Interior's Standards for Rehabilitation. The Commission reserves the right to make multiple awards or no awards in any category and to nominate projects that they deem worthy of consideration.

Please type or print clearly.
